

2020-2021

PART-TIME COMPETITIVE COMPANY

Congratulations on becoming a member of our 2020-2021 Competition Team! Please read the following information and sign the dancer/parent agreement at the end of this guide.

The Competition Program is designed to provide young dancers a chance to train and perform at an advanced level. Developing a discipline and commitment to teamwork, confidence, personal and collective accomplishment.

Attendance

Consistent attendance in all classes (not only competition rehearsal classes) is **MANDATORY**. In the event of a late arrival for class or an absence, you must contact the office (not the director or the teacher) by phone before the time of the class. If emailing in the absence on the same day it may not make it to the teacher in time. In the event that your child is ill we ask that you refrain from sending them to dance. Dancers will not be penalized for being ill and will be required to stay home in accordance with our COVID-19 screening. Dancers are not permitted to go on vacation from after the winter break (January 4th) until mid May when competition season is complete. March Break is not included in these dates and vacation is permitted at that time.

Please note: There will be an exception made for new dancers to the competitive program who may have booked holidays prior to company acceptance. Please contact the studio to discuss.

Communication

We understand the importance of sending out and receiving information on a day to day basis. For this reason we will be providing each family with frequent emails that contain important information and updates at the studio. Please be sure that we have the most up to date contact information for your family. Ultimately it is the parent/guardian's responsibility to be sure that all information is received and understood.

Emailing the studio: please allow for 1-3 business days for a response. For urgent matters please call the studio directly (519)767-5361. Do not contact Michelle's cell phone or the teacher's cell phones. If you do have their numbers please use for emergencies only.

24 Hour Rule

We follow the '24 hour rule'. This is the mindful practice of waiting 24 hours before taking action on something that is important. If a concern or issue is to arise (whether dancer-dancer, teacher- dancer, parent- teacher or parent- parent) please allow yourself the time to reflect and wait 24 hours before bringing it to our attention. By this time you will have a better perspective and often you will find a more calm approach to your concern. The issue can now be resolved quickly, in a civilized manner and to everyone's satisfaction. This rule has many purposes:

1. Allows each party involved during an issue to step back and clear the initial emotional elements
2. Provides a clear understanding of what is expected from all parties involved
3. Provides a clear and concise process for problem resolution
4. Promotes direct communication
5. Provides an avenue of fairness and opportunity to every student, parent and teacher
